

U.S. Refuses New Haven Loan, Report

\$31,324,000 Sought by the Road to Meet European Debentures Due April 1 and Other Maturities

Work on Alternate Plan

Officials Believe the Government Will Advance 10% of the Issue, It Is Said

Application of the New York, New Haven & Hartford Railroad Company to the Interstate Commerce Commission for a government loan of \$31,324,000 was reported yesterday...

The company's officials and its bankers are pictured as being confident, however, that some assistance in connection with the maturity of the bonds forthcoming from the government...

The point was made by bankers yesterday that the real test of the plan will not be made before April 1, as its success or failure will not be determined until the response of bondholders is finally indicated...
